They will exhibit a bias toward action, ability to generate short and long-range plans, creative problem solving, confidence, a collaborative spirit, and an inspired approach that will influence and motivate stakeholders to take action.

The VRE will also exemplify BBBSL’s core values of being youth-centric; fiercely positive and playful with a purpose; being a good steward and innovator for growth; sharing a commitment to leveling the playing field (equity); being unfailingly collaborative; demonstrating dedication to courage, compassion, and connection; and being results-driven.
